Norcool Corner Fridge

- all the space you have ever wished for – just an arm's length away ...

- For daily and important occasions
- Great capacity, 1,200 litres volume
- equivalent to 4-5 fridges!
- Does not take up much floor space (just 1 m²)
- Elegant fittings
- 3 m² of shelf space – tempered clear glass shelves
- 3 different temperature zones
- for the proper storage of all types of food
- Low noise levels
- Can be integrated into all types of kitchens
- Can be supplied with a steel door
- For integration;
- choose between a height of 2.10 m or ceiling height
- Freestanding
- supplied with a stainless steel finish
- Can be supplied with a convenience kit
- Completely maintenance-free
- modern refrigeration technology
- Low energy consumption
- PCB (controls lights and unit operation)
- only has marginally higher electricity consumption than a fridge-freezer, despite having a volume that is 6-8 times larger
- Easy to assemble - takes just 1 hour
